**Dear Parents and Carers,**

Today we have had the phone call for our Catholic Schools Inspection. The inspection will take place on Wednesday 22<sup>nd</sup> March and Thursday 23<sup>rd</sup> March. There will be a team of three inspectors coming in to school, their focus will be around RE lesson observations, observations of collective worship, book looks and also pupil, staff and parent interviews.

For feedback from parents, the inspectors will be on the school gate in the morning and on the KS2 playground in the afternoon.

The team would also like your feedback via this link to a parent questionnaire.

Thank you for your continued support.

God bless,

Mrs Clemens.
