

Saint Elizabeth's Knowledge Mat

Year: 4

Subject: Geography

Topic: Transportation

1. What I know already:

- Know the names of and locate the seven continents of the world. (Y1)
- Know the names of and locate the five oceans of the world. (Y1)
- Explain some of the advantages and disadvantages of living in a city or village. (Y2)
- Describe human and physical features of London, Edinburgh, Cardiff, Belfast. (Y2)
- To know that within large cities there are advantages and disadvantages to using public transport, goods vehicles and private cars. (Y3)

2. What I am going to learn – My Sticky Knowledge

Motorways, roads and railways are the most frequently used modes of transport in the UK.

Main reasons for travelling in the UK are work, shopping, visiting family, leisure and tourism.

The construction of canals such as the **Suez and Panama Canals** have made shipping journeys easier for **cargo ships**.

The biggest **port** in the world is Shanghai in China.

International transportation involves the movement of people or goods between countries

Almost all **international travel** causes **pollution** and therefore needs to be managed.

Tourism and the trade of goods and services between countries are the main reasons for **international transportation**

3. Key vocabulary

networks:	Systems of routes that cross at many points.
Port:	A place where ships can load and unload their cargo.
bridleway:	A countryside track for horses.
Pollution:	Anything that makes the earth dirty and unhealthy. Land, air, and water are all affected by pollution.
National:	Within a country
International:	Between countries
Cargo:	Goods carried by a vehicle.
Destination:	A place to which someone is travelling or goods are being sent.
